

ACADEMY OF LEARNING · VISION 2030

AI Enablement Hub

Turning AI into real value across the Academy — from diploma marketing and trainee service to reporting and accreditation — with responsible governance and sovereign options that keep data inside the Kingdom.

What AI does for the Academy

Diploma marketing

3 bilingual posts in seconds, on-brand.

Enrolment replies

Polite, consistent WhatsApp answers.

Board reports

One-page exec summary from raw figures.

Lesson plans

90-min session plans with local cases.

Question banks

MCQs + answer keys, tiered difficulty.

AR↔EN translation

Publish-ready official content.

The roadmap

NOW · 0–3 mo

Copilot + sovereign chat; an 'AI hour' per team; this prompt library.

NEXT · 3–6 mo

AI-use policy (PDPL/SDAIA); first two governed agents; AI champions.

LATER · 6–12 mo

Applied-AI diploma; ISO/IEC 42001 services; adoption advisory.
